HEINRICH GERT HECHTER

3rd year Student

PROFILE

I am currently a third-year Information Technology student at North-West University. From a young age, I have been passionate about working with computers, which naturally led me to develop a strong interest in programming. In my free time, I enjoy working on personal coding projects, often challenging myself to build new applications and explore different technologies. I am a fast learner, eager to expand my knowledge, and always open to learning new skills and refining my existing ones.

HOBBIES

Gaming
Programming games in Unity or Godot, projects Python
Tutoring IT classes
Building PCs

EDUCATION

Klerksdorp hoër skool
2018 - 2022
In High school I had an Average grade above 70% always. I participated in Mountain biking, cricket, chess and Rockets club.

North-West University
2023 - 2025
I am currently busy with my Bsc IT degree.

WORK EXPERIENCE

Prime Instrumentation [Apprentice]
December 2022
December 2023- January 2024
December 2024
I Wired and built PLC Panels, installed printers, fixed network issues, upgraded PCs, installed power cables, did deliveries and helped to program PLC panels.

Senwe [Shadow]
June 2024
Over a two-week period, I observed and collaborated with software developers to gain insight into their workflows. During this time, I conducted system testing, developed an introductory system using TypeScript, and participated in key meetings to better understand project requirements and team dynamics.

SKILLS

Skill	Level
Gdscript	60%
